**Points Fund**  
**I-90 Speedway POINTS FUND**  
 This year it will be mandatory for each car to be registered and pay daily or annual fees. The registration fee has been set at \$50. For those cars not racing I-90 Speedway regularly, a daily fee will be assessed in the amount of \$10. ANY DAILY FEES PAID WILL NOT APPLY TO THE ANNUAL FEE. No one will be able to race our regular season races without paying either an annual or a daily fee. One hundred percent of the fees collected will be paid out in cash or contingencies at the year end. As we progress into the season, I-90 Speedway will acquire additional contingencies and cash which will be added to the fund.

The more times you race at I-90 Speedway, the more chances you will have to win the contingencies. We will have items for all eligible drivers rather than just a few large contingencies. You will be required to race a minimum of 10 shows throughout the year to be eligible and for every attendance over the 10 show minimum, you will receive additional chances in the drawing. Drivers will need to be present at the awards banquet to be eligible for the final drawings. All awards will be drawn for at that time. A separate fund will be compiled for each of our classes and the payback will be consistent with the dollars accumulated in each fund. A driver racing in two classes will be required to pay fees for each class. We would encourage you to register today.

Thanks you for being part of I-90 Speedway!
